

Looking For New Challenges For Your Students?

Why not visit the Calvert Trust?

Accessible outdoor adventure for students of all abilities

- On your way to the Kielder Challenge?
Why not test the water at Calvert Trust Kielder?
- Outdoor activity school residentials to meet your budget.
- Want something more local – why not try Calvert Trust at the Lake District or Exmoor?

www.calvert-trust.org.uk

The Calvert Trust have three Centres that specialise in providing inclusive activity residentials for groups of 10 or more students.

- **A full range of activities:** including climbing, abseiling, canoeing, archery, zip wire, sailing, kayaking, orienteering and problem solving.
- **Schools Welcome:** All our Centres are experienced in running school residentials and our instructors work with you to ensure your objectives are met.
- **Safe Environment:** All Centres are registered with the Adventure Activity Licensing Authority and have experienced and qualified staff running the activities. Risk assessment packs are also available on request.
- **All Abilities:** With fully accessible facilities each Centre can run residentials for all students including, special needs, mixed and mainstream student groups.
- **Spaces available:** We currently have spaces available for February and March and September to November.
